**HEARING OFFICER ORDER**

On September 20, 2007, all parties participated in a telephonic status conference with the hearing officer. The hearing officer order of September 20, 2007, denying respondent's motion for a protective order and granting respondent's motion to stay discovery was briefly discussed.

In the September 20, 2007, hearing officer order, respondent was in essence granted a stay of discovery and established a September 28, 2007, due date for respondent's responses to petitioner's written discovery. Fox Moraine made an oral motion for extension of time to file its responses to respondent's written discovery, to and including October 5, 2007. Fox Moraine argued that since it propounded and served its written discovery approximately 6 days before respondent did, it should be given additional time to respond. Over objection, petitioner's motion was granted to the extent that petitioner's responses are now due to be served by October 2, 2007.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 18, 2007, at 11:45 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
