*** = More boat surveys were conducted by the MWRD in 2005

Primary Contact Activities Observed

- (i) - One individual swimming a rope over from a jet ski to a disabled boat in the Little Calumet River
- (ii) - One water skier in Little Calumet River
- (iii) - Two individuals in intertubes, one fishing and one paddling

(a) Waterways

CR = Chicago River
NBCR = North Branch of Chicago River
SBCR = South Branch of Chicago River
NSC = North Shore Channel
CSSC = Chicago Sanitary and Ship Canal
CAL-SAG = Calumet-Sag Chanel
L-CAL = Little Calumet River
CAWS = Chicago Area Waterway System
CAL = Calument River

(b) Rec Types

- 1 = Incidental Contact - Activities that may result in direct and intentional contact with the water (eg. Fishing or Canoeing)
- 2 = Non-Contact - Activities that may result in minor unintentional contact with the water (eg. Power Boating)
- 3 = Non-Recreation - Activities where contact with the water is highly improbable (Ex. Commerical/Large Watercraft Transportation)
