ORDER OF THE BOARD (by J. Anderson):

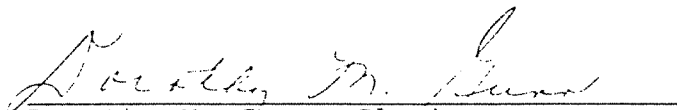

This matter comes before the Board upon a Motion for extension of time to file its brief, filed by the respondent, E&E Hauling, Inc., on October 13, 1989. E&E Hauling requests an additional fourteen (14) days to and including October 30, 1989 within which to file its brief regarding the recovery of hearing costs.

In support of this motion for extension of time, E&E Hauling states that counsel for E&E Hauling did not receive a copy of the Board's September 13, 1989 Order requesting briefs until September 28, 1989. E&E Hauling also points out that such an extension for filing its brief will not delay this proceeding because E&E Hauling's response to the statement of costs of the Agency and DuPage County is not due until October 30, 1989.

E&E Hauling's motion for extension of time to file its brief is hereby granted until and including October 30, 1989.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of October, 1989, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
