RECEIVED
CLERK'S OFFICE

DEC 03 2007

STATE OF ILLINOIS
Pollution Control Board

4724 N. Mohn Way
Peoria, IL 61609
Nov. 26, 2007

Dear Carol,

We are asking you to hold firm on the decisions previously made not to expand the hazardous-waste landfill. Our concern is that the landfill is situated over the aquifer that provides water for our area. We want to avoid the pollution of our water source at any cost.

Sincerely,

Clare T. Waibel
