ORDER OF THE BOARD (by J.D. Dumelle):

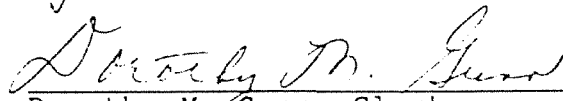

This matter comes before the Board upon a February 5, 1990 motion to withdraw complaint and dismiss action filed by the Illinois Environmental Protection Agency (Agency). The Agency states that, based upon the results of an analysis of certain samples taken from the area of alleged open dumping, it does not believe that this is a proper case for the administrative citation process and requests dismissal.

The Respondent, General Iron Industries, Inc., filed on February 5, 1990 its objection to the Agency's motion.

In response to Board Order of February 8, 1990 the Agency filed an affidavit in accordance with 35 Ill. Adm. Code 103.140(b). The procedural aspects of the Agency's motion having been perfected, the motion is hereby granted. This proceeding is dismissed without prejudice.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 22<sup>nd</sup> day of February, 1990 by a vote of 7-0.
