PETITIONER'S MOTION TO VOLUNTARILY WITHDRAW
ITS PETITION FOR NPDES PERMIT APPEAL

NOW COMES the Petitioner, the Metropolitan Water Reclamation District of Greater Chicago ("District"), by its Attorney, Frederick M. Feldman, and pursuant to 35 Ill.Admin.Code 101.500, states as follows:

1. On February 29, 2008, the District filed a Petition for NPDES Permit Appeal in connection with the NPDES permit for the District's Lemont Water Reclamation Plant ("Lemont WRP").

2. On March 21, 2008, the Illinois Environmental Protection Agency ("IEPA") issued a modification to the Lemont WRP NPDES Permit.

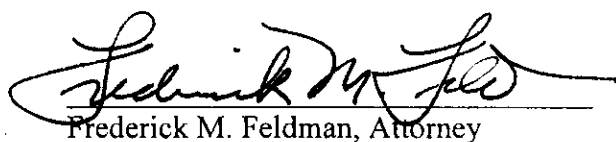

3. The issuance of the modification to the Lemont WRP NPDES Permit essentially moots the issues raised by the District's permit appeal.

4. Based upon these facts and circumstances, the District has determined that it is appropriate to withdraw its appeal.

WHEREFORE, the Metropolitan Water Reclamation District of Greater Chicago respectfully requests the Board to grant the District's Motion to Voluntarily Withdraw its NPDES Permit Appeal and to enter an Order dismissing the instant permit appeal with prejudice.

Respectfully submitted,

Metropolitan Water Reclamation District
of Greater Chicago

Frederick M. Feldman, Attorney
