ORDER OF THE BOARD (by T.E. Johnson):

On October 20, 2004, Robert and Tony Thompson (the Thompsons) filed a petition asking the Board to review a determination of the Illinois Environmental Protection Agency (Agency) denying a proposed corrective action plan for the Thompsons' leaking underground storage tank site located at 4th and Jefferson in Cairo, Alexander County. In an order of November 4, 2004, the Board accepted the Thompsons' petition for hearing. Since then, the parties have participated in numerous status conferences with the hearing officer, but the case has not been to hearing.

On March 26, 2008, the Thompsons filed a motion to voluntarily dismiss the appeal. In the motion, the Thompsons state that the parties have "resolved the issues in dispute." Motion at 1. The Board grants the motion, dismisses the case, and closes the docket.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on April 3, 2008, by a vote of 4-0.
