STATE OF ILLINOIS  
Pollution Control Board

4-23-2008

TO: Illinois Pollution Control Board

I sent in two separate checks in the amount of \$750.00 each. When they fined me that much money they violated my rights. This is a home and is zoned farm. We have cats, Dogs, Chickens and other animals, we also have grand kids. We have a private land that sits 600 feet from the Highway. We grow trees and keep the environment as clean as we can. We recycle cans and any other thing that we can to keep the environment clean. We are answering your last letter that we received. I know that the state is broke, but, this is a poor way of getting money.
