This isn't professional
 stationery, I know,
 but I just learned
 that P.D.C. is trying
 an "end-run" around
 Georgia by moving its
 hazardous waste from
 over our San Katy
 aquifer to a Mahomet
 site. Please do not
 allow them to do that!!!
 Poison is still poison
 no matter where you put
 it. Concerned grandmother,

P.S.

Q&E should put this money into a fund for employee retirements!
