RCRA TCLP UPDATE ADOPTED, MODIFIED AND FILED (R90-10)

R90-10 is the RCRA update addressing USEPA regulations adopted for the period 1/1 through 3/31/90. This includes the USEPA TCLP (toxicity characteristic leaching procedure) modification to the definition of hazardous waste.

The Board adopted R90-10 on August 30, 1990. A major change was the addition of a "Board Note" to Section 721.124, providing that small quantity generators may continue to use the EP toxicity test through March 29, 1991.

USEPA extended the time for generator notification at 55 Fed. Reg. 31387, August 2, 1990.

On September 13, 1990, the Board modified R90-10, by adding a sentence to the Board Note to clarify a reference to the "EP toxicity" in 35 Ill. Adm. Code 808.410, recently adopted in R89-13.

R90-10 has been filed with the Administrative Code Division, and became effective on September 25, 1990. The text of the rules will appear in the October 5, 1990 issue of the Illinois Register

Questions on the RCRA program should be directed to Morton Dorothy at 217/333-5575.

UST UPDATE AND STATE FUND REPEAL (R90-12)

The Board has opened Docket R90-12 to address USEPA amendments to the UST (underground storage tank) rules during the first half of 1990. The Board may also address H.B. 3325 (P.A. 86-1050) in the same Docket.

35 Ill. Adm. Code 731.190 et seq., and 40 CFR 141.90 et seq., require owners or operators of USTs to demonstrate financial responsibility for corrective action and third party liability. P.A. 86-125 created the "UST fund", which provides money for corrective action for UST operators. P.A. 86-958 added Section 22.13(d) to the Act, providing that the UST Fund was intended as a State Fund by UST operators could meet the federal financial responsibility requirement. The Board implemented this intent by adopting 35 Ill. Adm. Code 731.200 in R89-19. P.A. 86-1050 appears to have amended Section 22.13(d) of the Act so as to require repeal of Section 731.200. The result of this would be to again require "private" insurance for UST operators.

It may take several months to complete the regulatory process to repeal 35 Ill. Adm. Code 731.200. However, owners and operators of USTs need to be aware that P.A. 86-1050 may be self-implementing. Since the authority for Section 731.200 has been withdrawn, they may be subject to immediate enforcement unless they have private insurance meeting the requirements of 40 CFR 141.90 and 35 Ill. Adm. Code 731.190 et seq.

Questions on the UST program should be directed to Morton Dorothy at 217/333-5585.

BOARD GOES TO FIRST NOTICE IN R89-14, GROUNDWATER QUALITY STANDARDS, 35 Ill. Adm. Code 620

On September 29, 1990, the Board adopted the First Notice Opinion and Order in R89-14 Groundwater Quality Standards. The Board proposal emphasizes protection of all potable waters and was designed to be as uncomplicated as possible in an effort to achieve a workable rule in such a new arena of regulations.

The rules include General Provisions (Subpart A, including definitions, incorporations by reference, exclusions), Groundwater Classification (Subpart B, setting up 5 classes including potable groundwater class, general resource class, remedial groundwater class, limited resource class, and special resource class), Groundwater Quality Standards (Subpart C, containing numerical and nondegradation standards), Miscellaneous Procedures and Protocols (Subpart E, including point of compliance), and Preventive Management Procedures and Corrective Action (Subpart E).

The Opinion and Order were adopted by a 7-0 vote, with Board members Joan Anderson, Jacob D. Dumelle and Bill Forcade concurring.

An additional hearing has been set for December 4, 1990, 9:00 a.m., State of Illinois Center, 100 W. Randolph St., Chicago, IL Room 9-040. The deadline for prefiled testimony and exhibits is November 14, 1990. Anyone wishing to testify should contact the hearing officer to schedule time. Questions on this proceeding may be directed to Hearing Officer Michelle C. Dresdow at (815) 753-0947.

Copies of the Opinion and Proposed Rules are available from the Clerk of the Board (312/814-3620).

BOARD PROPOSES SDWA UPDATE (R90-13)

On September 27, 1990, the Board proposed to update the SDWA rules in 35 Ill. Adm. Code 611 to reflect USEPA amendments during the first half of 1990. The only USEPA amendment is the June 19, 1990 corrections to USEPA's June 29, 1989, filtration and disinfection rules. Most of the errors were detected and corrected by the Board during the adoption of R88-26. However, two corrections are proposed in this Docket.

PUBLIC WATER SUPPLIES RESTRICTED STATUS AND CRITICAL REVIEW LISTS

The Illinois Environmental Protection Agency, Division of Public Water Supplies, Permit Section, is publishing copies of the Division's Restricted Status and Critical Review lists in this issue of the Environmental Register. The lists are being published here as part of the quarterly notification to the public. The lists have been slightly modified to reflect changes made since the previous publication.

SDWA RULES FILED (R88-26)

The SDWA public water supply rules adopted in R88-26 were filed with the Administrative Code Division, and became effective September 20, 1990. They will appear in the October 5, 1990 edition of the Illinois Register. The new rules are in 35 Ill. Adm. Code 611.

BOARD PROPOSES SDWA CORRECTIONS (R90-21)

On September 13, 1990, the Board proposed corrections to the SDWA rules adopted in R88-26. The corrections concern analytical methods and incorporation by reference.

Questions on the SDWA program should be directed to Morton Dorothy at 217/333-5575.

BOARD AND STAFF ACTIVITIES

On September 20, 1990 Attorney Assistant Mark Miller attended the Oracle Corporation's Executive Government Day, a seminar on data base management.

On September 19 and 20 Attorney Assistants Elizabeth Harvey, Karen Rosenwinkel and Mark Miller, Legislative Liaison Phil Van Ness, and Staff Attorney Marie Tipsord attended the Illinois Manufacturers' Association Environmental Compliance conference and Exhibition. Chairman John Marlin spoke on September 19, 1990 at this conference.

Board Member Joan Anderson spoke on October 1, 1990 at the Illinois Environmental Regulation Conference held by Executive Enterprises at the Palmer House in Chicago. Mrs. Anderson was part of a panel discussing the interaction of the regulatory agencies in Illinois. Board Member Ron Flemal also attended this conference along with Attorney Assistant Michelle Dresdow and Staff Attorney Elizabeth Handzel. Attorney Assistants Tim Dwyer and Margaret Fliss attended this conference on October 2, 1990.
