ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon the June 13, 1988, Petition For Variance filed by the Village of Orangeville by Village President J. Milton Bostian. The Petition is dismissed.

The Petition is deficient because it fails to comply with the requirements of 35 Ill. Adm. Code 104.121. But more importantly, the Petition is dismissed because, although captioned as a Request For Variance, the Petition is in reality a request for permanent relief from several regulations of general applicability. A request for rule change is not the same thing as a variance; the standards are different and the proofs required are different.

Accordingly, for the foregoing reasons, this action is dismissed and the docket is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 16th day of June, 1988 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
