ORDER OF THE BOARD (by J. Marlin):

On July 17, 1990, the CITY OF AURORA filed a petition for variance extension for its public water supply. Petitioner, in Paragraph 25 on page 15, requests that the Board incorporate substantial portions of the record of two prior proceedings, R85-14 and PCB 85-51, Aurora's 1985 variance petition. The Board will incorporate by reference all prior Board Opinions and Orders in these two proceedings, but will not incorporate the records themselves. Petitioner may "upon separate written request" incorporate portions of the prior records by filing four copies with the Clerk, consistent with the procedural rules at 35 Ill. Adm. Code 101.106.

The Board notes that for purposes of calculation of the decision deadline pursuant to Section 38 of the Act, the Board will construe the filing of any such request as the filing of an amended petition restarting the Board's 120 day deadline.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 9th day of August, 1990, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
