**HEARING OFFICER ORDER**

Telephonic status conferences were scheduled for October 16, 2008, and October 23, 2008. Both conferences were continued because the parties are awaiting the hearing officer's order regarding the various pre-hearing motions that have been filed by the parties.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 30, 2008, 1:30 p.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. The petitioner represented that the conference call-in number will be the same as on October 1, 2008. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
