

BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

In The Matter Of:)
Joseph & Victoria Morrissey)
Complainant(s),)
v.) PCB 09 - 10
Geoff Pahios and Alpine Automotive, Inc) (For Board use only)
Respondent(s))

Request to Expedite

With full respect for the Board and its process, the Complainants, Joseph and Victoria Morrissey would like to express a desire to keep to the schedule as much as possible. Summer is the period where the complainants are most affected from the noise referenced in our initial complaint. We, the complainants, will continue to work with the Respondents to follow the process, however, we will document all delays in the event that this process is still ongoing after the summer of 2009. The Respondents have missed deadlines agreed to in the Discovery Schedule, including the recent Dec 19th deadline to Respond to Written Discovery. The Complainants have been unable to contact the Respondent, Bruce Slivnick, to determine a new date and schedule.

Respectfully submitted,
Joseph & Victoria Morrissey
