Dear Chairman Girard:

This is to notify you that JCAR considered the following proposed rulemaking at its 4/21/09 meeting:

Standards and Limitations for Organic Material Emissions for Area Sources (35 Ill. Adm. Code 223)  
32 Ill. Reg. 17301 - 11/7/08

If your agency has agreed to any substantive modifications during its discussions with JCAR, they are described in the "Agreements" attached to the certification. Based on these agreements, as well as the other responses you have provided the Committee during the review of this rulemaking, JCAR has determined that No Objection will be issued. Enclosed you will find formal certification of this action.

The rulemaking may now be adopted upon filing with the Office of the Secretary of State.

Please note that the fact that the Committee has not objected to this rulemaking does not necessarily constitute approval, expressed or implied, of the substance of the rulemaking.
