ORDER OF THE BOARD (by G.T. Girard):

On July 1, 2009, Weeke Oil Company (Weeke) timely filed a petition (Pet.) asking the Board to review a June 4, 2009 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2008); 35 Ill. Adm. Code 101.300(b), 105.402, 105.404. The Agency's determination concerns Weeke's underground storage tank (UST) site at 422 West St. Louis Street in Nashville, Washington County. For reasons below, the Board accepts Weeke's petition for hearing.

Under the Environmental Protection Act (Act)¹ (415 ILCS 5 (2008)), the Agency decides whether to approve proposed cleanup plans and budgets for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If the Agency disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2008); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency denied Weeke's request for reimbursement from the UST Fund for the Nashville UST site, concluding that Weeke's requested costs were not associated with a confirmed release. Weeke appeals on the grounds that "the Agency's denial of payment is based on its own erroneous conclusion that there has been no release at the site and its erroneous, belated, efforts to prevent reporting of the release." Pet. at 2. Weeke also argues that the Agency decision is inconsistent with the record and the Agency's own prior determinations regarding the Nashville site. *See Id.* Weeke's petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the petition for hearing. Weeke has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge the Agency's reasons for its decision, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See Alton Packaging Corp. v. PCB*, 162 Ill. App. 3d 731,

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2008)), which only Weeke may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, Weeke may deem its request granted. *See* 415 ILCS 5/40(a)(2) (2006). Currently, the decision deadline is October 29, 2009, which is the 120th day after the date on which the Board received the petition, July 1, 2009. *See* 35 Ill. Adm. Code 105.114. The Board meeting immediately before the decision deadline is scheduled for October 15, 2009.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by July 31, 2009, which is 30 days after the Board received Weeke's petition. *See* 35 Ill. Adm. Code 105.410(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116. The record must comply with the content requirements of 35 Ill. Adm. Code 105.410(b).

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 23, 2009, by a vote of 5-0.
