Re: Proposed Amendments to the Board's Special Waste Regulations Concerning Used Oil 35 ILL. ADM. Code 739, 808, 809 (R06-20 Rulemaking - Land).

On behalf of RS Used Oil Services, Inc., an Illinois Corporation, I would like to take this opportunity to commend the Board for its consideration in amending the current paperwork requirements for used oil regulations as they pertain the above-mentioned Administrative Codes.

The proposed Board's amendments will continue to require and insure the proper tracking of used oil shipments in Illinois, however, will reduce the duplicative and burdensome current regulations no other State surrounding Illinois requires.

RS Used Oil Services, Inc. urges the Board to adopt their proposed amendments as they are currently drafted without change. This will allow our company and its customers to operate in a more cost efficient manner while adhering to current Federal Regulations.

Sincerely,

William J. Kennedy
Director, Safety & Regulatory Compliance
