**HEARING OFFICER ORDER**

On October 13, 2009, all parties participated in a telephonic status conference with the hearing officer. The respondent’s counsel, an attorney for the Illinois Environmental Protection Agency (Agency) stated that the Illinois Attorney General’s Office (AGO) has instructed the Agency to have no communication with the petitioner at this time. Agency counsel stated that they will abide to the AGO’s request.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including May 20, 2010.

At the next telephonic status conference noted below, the hearing officer directs that a legal representative, either from the Agency or the AGO, to appear and participate on behalf of the respondent.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 17, 2009, at 1:30 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
