HEARING OFFICER ORDER

On October 15, 2009, all parties participated in a telephonic status conference with the hearing officer. The parties represented that settlement discussions continue and that it appears all issues have been resolved. The respondent stated that it is preparing a draft for petitioner's review. To that end, the record and respondent's answer are now due to be filed on or before December 31, 2009. The petitioner represented that it will file an additional 90 day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 10, 2009, at 11:00 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
