HEARING OFFICER ORDER

On November 5, 2009, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears that a settlement has been reached and that complainant is drafting a stipulation and proposal for settlement (stipulation). The complainant stated that the site is now in compliance.

By agreement, respondent’s answer or other pleading is now due to be filed on or before January 15, 2010.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 21, 2009, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
