ORDER OF THE BOARD (by G. T. Girard):

On September 3, 2009, at the parties' request, the Board extended until November 24, 2009, the time period for Hydromet Environmental, Incorporated (Hydromet) to appeal a July 20, 2009, determination of the Illinois Environmental Protection Agency (Agency). See 415 ILCS 5/40(a)(1) (2008); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency denied Hydromet's request for a permit modification to remove the closure requirements of deconstructing and disposing of the permitted units during closure at Hydromet's hazardous waste treatment, storage and disposal facility located in Douglas County. Because Hydromet failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 3, 2009, by a vote of 5-0.

John Therriault, Assistant Clerk
Illinois Pollution Control Board
