HEARING OFFICER ORDER

On January 7, 2010, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that they continue to await the anticipated issuance of a permit. The parties remain hopeful that a permit will be issued prior to the next telephonic status conference. By agreement, the administrative record is now due to be filed on or before February 19, 2010. The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including May 7, 2010.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 4, 2010, at 9:30 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
