Dear Chairman Girard:

This is to notify you that JCAR considered the following proposed rulemakings at its 3/9/10 meeting:

Organic Material Emission Standards and Limitations for the Chicago Area (35 Ill. Adm. Code 218)
33 Ill. Reg. 16399 - 11/20/09

Organic Material Emission Standards and Limitations for the Metro East Area (35 Ill. Adm. Code 219)
33 Ill. Reg. 16460 - 11/20/09

If your agency has agreed to any substantive modifications during its discussions with JCAR, they are described in the "Agreements" attached to the certification. Based on these agreements, as well as the other responses you have provided the Committee during the review of these rulemakings, JCAR has determined that No Objection will be issued. Enclosed you will find formal certification of this action.

These rulemakings may now be adopted upon filing with the Office of the Secretary of State.

Please note that the fact that the Committee has not objected to these rulemakings does not necessarily constitute approval, expressed or implied, of the substance of the rulemakings.

Thank you for the cooperation your agency has shown during our review of these issues.

Sincerely,

Senator Maggie Crotty
Co-Chairman
