**HEARING OFFICER ORDER**

On July 22, 2010, all parties participated in a telephonic status conference with the hearing officer. Complainant represented that matters are still proceeding with a recent settlement meeting with the parties taking place. Complainant stated the discussions shed light on new issues that complainant needs to discuss further internally. The complainant stated that an additional party may be added in the future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 23, 2010, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
