

ILLINOIS POLLUTION CONTROL BOARD
November 29, 1990

IN THE MATTER OF:)
)
PROPOSED EXCEPTION TO 35 ILL.) R90-23
ADM. CODE 216.381 FOR FERROUS) (Rulemaking)
FOUNDRIES IN VERMILLION COUNTY)

ORDER OF THE BOARD (by B. Forcade):

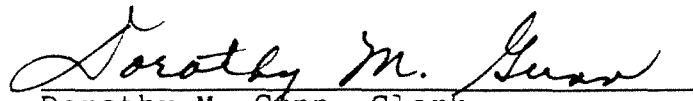

This matter is before the Board on a November 26, 1990, motion for extension of time filed by petitioner General Motors Corporation ("GMC"). On October 11, 1990, the Board issued an order finding that GMC's petition for site-specific rulemaking was deficient, in that it did not address the questions contained in the Analysis of Economic and Budgetary Effects questionnaire, and did not meet the requirements for incorporation by reference of prior proceedings. The Board allowed GMC 45 days, that is, until November 26, 1990, to cure these deficiencies. GMC seeks an extension of that deadline, until December 21, 1990, to supplement its site-specific rulemaking petition.

In support of its request, GMC states that it did not receive a copy of the October 11, 1990 order until the week of October 29, 1990. GMC also states that it has obtained the record of the prior proceeding which it wishes to incorporate, and that it is working to address the questions on the economic effects questionnaire.

GMC's motion for extension of time is granted. The Board notes that the seven day period to respond to this motion has not run. However, the Board finds that undue delay would result if it does not rule on the today. See 35 Ill. Adm. Code 101.241 (b).

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 29th day of November, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
