HEARING OFFICER ORDER

On August 16, 2010, the following parties participated in a telephone status conference with the hearing officer: Complainant; A.E. Staley Manufacturing Co.; Aramark Uniform Services, Inc.; Bell Sports, Inc., Borden Chemical Co.; Bridgestone/Firestone, Inc.; Climate Control, Inc.; Caterpillar, Inc.; Combe Laboratories, Inc.; and Trinity Rail Group, Inc.. The following respondents did not appear: Waste Hauling Landfill, Inc.; Jerry Camfield; Archer Daniels Midland, Inc.; General Electric Railcar Services Corporation; P & H Manufacturing, Inc.; Trinity Rail Group, Inc.; and Zexel Illinois.

The Board will soon be receiving complainant's motions to voluntarily dismiss the action against Archer Daniels Midland, and to substitute Zexel Illinois with its predecessor corporation. If the Board grants these motions, complainant will file an amended complaint with the corrected parties.

The Illinois Environmental Protection Agency is reviewing proposed stipulations and settlement offers for most of the parties. Any party not engaged in settlement negotiations when

the amended complaint is accepted for hearing will be expected to answer the complaint by the Board's deadline.

On August 11, 2010, complainant and respondent Triple S Refining Corporation filed a joint motion to extend the stay of proceedings against Triple S Refining to January 16, 2011. The remaining respondents do not plan to file responses. The motion is granted.

The parties are directed to participate in a telephone status conference with the hearing officer at 2:30 p.m. on October 25, 2010. The call-in number is (213)270-2124, passcode 239550#.
