ORDER OF THE BOARD (by B. Forcade):

On July 19, 1984, the Board, noting no activity in this case since March 30, 1983, ordered that hearing be scheduled within 30 days and held within 60 or be subject to dismissal. The hearing officer scheduled hearing for September 11, 1984, however, counsel for Hereley cancelled. Hereley did not reschedule a hearing in compliance with the Board's order or move to continue the Board's hearing schedule. On October 15, 1984, Hereley filed an "amended petition for variance" in this permit appeal proceeding. There has been no activity in this matter since this filing except for the periodic filing of waivers of the statutory decision deadline.

The Board's Order of August 22, 1984, has not been complied with despite the diligent efforts of the hearing officer. This matter, therefore, is dismissed.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of February, 1985, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
