CONCURRING STATEMENT (by J.D. Dumelle):

The case filed by IEPA (PCB 89-87) has a filing date of May 19, 1989. It is now almost 15 months old. That seems an ample time in which to (a) arrive at a settlement or (b) go to hearing on the merits.

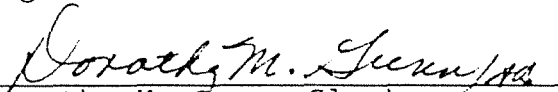

I would order these cases to hearing after receipt of the October 9, 1990 status report. By that time, these cases will be 17 months old and will still require a hearing and briefs before being completed. There is an old saying that fits here. "Justice delayed is justice denied."

For these reasons, I concur.

Jacob D. Dumelle, P.E.
Board Member

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Concurring Statement was submitted on the 23rd day of August, 1990.
