Re: Case No. PCB 2010-103
Proposed DeKalb County Landfill Expansion

To Whom It May Concern:

I was never aware of any hearings on this project until it seemed to be already decided. I attended all six days of the hearing.

Mr. Stoddard said he could not discuss the proposed expansion with me. When I said I thought something of this magnitude should be put to a referendum he indicated that the County Board was more qualified to make this decision than the citizens. Those who are opposed had only about two weeks to prepare their case.

Thank you.
