INTERM ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a June 25, 1985, complaint filed by Joseph A. Adams of Huntley, IL. This complaint is scheduled for a frivolous and duplicitous hearing at 11:00 a.m. on August 1, 1985. However, the Board notes that there are substantial problems with the complaint as filed, such that Mr. Adams may wish to amend his complaint before that hearing.

The specific violations alleged in the complaint appear only to be references to Environmental Protection Agency rules. The complaint must reference the applicable provisions of the Pollution Control Board's Rules and Regulations and/or the Environmental Protection Act.

Furthermore, several of Mr. Adams allegations are not within the Board's jurisdiction and, thus, cannot be enforced by the Board. Overcharging customers and blaming homeowners for stealing water are two such allegations which are beyond the Board's authority.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of July, 1985, by a vote of 7-0.
