Mike,  
I found this typo this morning that I failed to change. D should be F.  
You probably caught it by now.

Page 56, Section 611.356(d)(4)((~~strikethrough: D~~))(F)(ii), 7th line, should read "for lead and copper the frequency specified in" in place of "for more than nine days in any six-month period specified in Section 611.357(d) in accordance with"...
