ORDER OF THE BOARD (by J.D. Dumelle):

On December 11, 1981 the Village of Parkersburg filed a petition for variance from Rule 304(B)(4) of Chapter 3: Water Pollution. That petition is deficient in that it purports to waive hearing but fails to include an affidavit in support of the material facts alleged as required by Procedural Rule 401(b). Further, the Board requests that the survey of dental problems in the area that may be the result of the high level of fluoride in the drinking water be made part of the petition.

Unless these defects are cured by the filing of an amended petition within 45 days of the date of this Order, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 17th day of December 1981 by a vote of 4-0.
