INTERIM ORDER OF THE BOARD (by J. Anderson):

On May 11, 1984 Petitioner Outboard Marine Corporation filed a Motion for Decision in this case requesting that the Board rule on this matter at the "earliest practicable date." Petitioner urges a prompt decision by the Board for various reasons.

The Board has received no response to this Motion. The Board finds that it is unnecessary to rule on the issues of fact alleged in this Motion. However, the Board reiterates its recognition of a "policy concern for expeditious decisions in appeals of this type." (See April 5, 1984 Board Order in this proceeding.) Barring any unforeseen circumstances, the Board anticipates a final decision will be issued at the June 14, 1984 Board Meeting.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Interim Order was adopted on the 29<sup>th</sup> day of May, 1984 by a vote of 6-0.
