HEARING OFFICER ORDER

On May 9, 2011, the parties participated in a telephone status conference with the hearing officer. The parties request an expedited ruling on Henson Disposal's motions to strike and dismiss so that a discovery schedule may be set quickly if the motions are denied. Petitioner would like to begin discovery, but Henson Disposal wants to wait until the Board rules on the outstanding motions. Henson Disposal agreed not to revoke the open waiver in a manner that would deny petitioner an opportunity to conduct discovery. Respondents did not object to petitioner's motion for leave to file its response to the motions which were filed only one day late. The hearing officer granted the motion for leave to file.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on June 14, 2011. Petitioner agreed to circulate a conference call-in number.

Respondent Henson Disposal filed an open waiver of the decision deadline which may be revoked at a later date.

IT IS SO ORDERED.
