v.)	PCB 82-81
)	
ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,)	
)	
Respondent.)	

ORDER OF THE BOARD (by J.D. Dumelle):

On June 21, 1982 Yogi Bear's Jellystone Camp-Resort filed a petition for variance from Water Pollution Rules, §312.101 (former Rule 1201 of Chapter 3). On July 1, 1982 the Board entered a more information order. On July 14, 1982 the Illinois Environmental Protection Agency (Agency) filed a motion to join the New Salem Homeowners Association (NSHA), the owner of the subject treatment works, as a party. On July 30, 1982 the Camp-Resort filed an amended petition curing most of the defects in the original petition.

The Agency's motion is granted and the NSHA is hereby joined as a party. Service shall be made upon the NSHA by the Clerk.

The Camp-Resort's amended petition remains deficient in that it does not waive hearing (nor include the necessary affidavit attesting to the truth of the facts alleged) nor request hearing as required by Procedural Rule §104.124 [former Rule 401(b)]. Unless an amended petition is filed within 45 days of the date of this Order curing that defect, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of August, 1982 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
