HEARING OFFICER ORDER

On August 25, 2011, a telephonic status conference was held. The complainant stated that on June 10, 2011, it forwarded an Inter Governmental Agreement (IGA) regarding preparation of a master plan for sewer separation along 55th Street to all parties for their respective review. The parties stated that the IGA is currently under review.

It was represented that the missing flow restrictors along 55th Street have been replaced. The attorney for the complainant represented that he most likely will dismiss the Illinois Department of Transportation in the near future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 5, 2011, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
