**INSPECTION REPORT NARRATIVE**

Curt White of DLPC/FOS Champaign Regional Office reinspected this site on October 25, 2011. The weather conditions during the inspection was sunny and 70° F. No interviews were conducted during the inspection. The initial inspection was conducted as a result of a citizen complaint.

**OWNERSHIP**

This site is located at 420 W. Hickory Street, Watseka, IL 60970. The owner of the property is Katherine Blunk. The mailing address for Mrs. Blunk is 521 E. Locust Street, Watseka, IL 60970. The ownership was determined by going to the Iroquois County Recorder's Office and obtaining a copy of the deed.

This inspection was conducted in accordance with Sections 4(c) and (d) of the Illinois Environmental Protection Act ("Act"). The purpose of this inspection was to determine if the site is in compliance with the Act and Regulations.

**OCTOBER 25, 2011 INSPECTION FINDINGS**

I arrived on the property at 10:00 am. Nobody was present. I walked around the site. I observed scattered blue plastic, toilet, 20 used tires, concrete, black plastic crates, red plastic pellets, 30' x 10' waste pile that included charred springs and melted plastic, pallets, 120' x 45' x 5' pile of blue plastic, trailer full of waste that included carpet and dry wall, and other wastes scattered around the site (see photos 1 thru 12). I inspected the used tires for water accumulation. I observed no water accumulation. The used tires were full of organic matter. This material was being dumped haphazardly in weeds and trees, not stored in such a way as to protect any future use and being kept unsightly and in an unsanitary manner. I left the site at 11:00 am.
