REGARDING PRELIMINARY MOTION TO BRING LIMITED ISSUES BEFORE THE
POLLUTION CONTROL BOARD FOR DISPOSITION

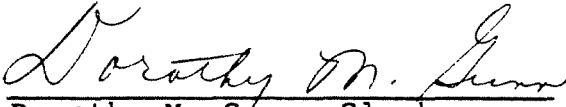

DISSENTING OPINION (by J. Theodore Meyer):

I disagree with the majority of my colleagues. I believe that motions should be disposed of in a timely fashion. Motions should not "be taken with the case" and should not be decided at the conclusion of the case.

J. Theodore Meyer
Board Member

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Dissenting Opinion was submitted on the 13th day of May, 1986.
