Petition For Review

STATE OF ILLINOIS
Pollution Control Board

Case # AC 2012-022

The Reason I am Filing This petition is due to The uncontrollable circumstances That hindered This property Clean up.

My wife and myself are both disabled with an income of \$797⁰⁰ a mth until our cola Raise JAN 1 2012. I was involved in a trucking accident Apr. 21 2009 That resulted in my disability and loss of income.

I am NOT The property owner. My Seventeen year old daughter Cheyanna is the property owner until she turns ^{eighteen} Eighteen.

The Clean up of The property was Slowed by lack of funds, my older children were waiting on taxes to purchase dumpsters to complete the Clean up. I Recently settled the lawsuit from my accident and am waiting on the check so that we can complete cleaning the property.

I should Have Everything completed By mid March weather permitting.

I have No Attorney in This matter and will be sending A copy of This petition to Michelle Ryan assistant council for The IEPA.
