ORDER OF THE BOARD (by T. A. Holbrook):

On January 20, 2012, Maribeth, Inc. (Maribeth) timely filed a petition asking the Board to review a December 16, 2011 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2010); 35 Ill. Adm. Code 101.300(b), 105.402, 105.404. The Agency's determination concerns Maribeth's leaking underground storage tank (UST) site located at Route 13 and Russel Street, Marion, Williamson County. For the reasons below, the Board accepts Maribeth's petition for hearing.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2010)), the Agency decides whether to approve proposed cleanup plans and budgets for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If the Agency disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2010); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency rejected Maribeth's request for reimbursement from the UST Fund. Maribeth appeals on the grounds that the Agency failed to make a payment determination on Maribeth's complete payment application within 120 days and that, under Section 57.8(a)(1) of the Act, the application is deemed approved by operation of law. Maribeth's petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the petition for hearing. Maribeth has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge the Agency's reasons for its decision, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom. Community Landfill Co. & City of Morris v. PCB & IEPA*, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2010)), which only Maribeth may extend by waiver

(*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, Maribeth may deem its request granted. *See* 415 ILCS 5/40(a)(2) (2010). Currently, the decision deadline is May 21, 2012, which is the first business day after the 120th day after the date on which the Board received the petition, January 20, 2012. *See* 35 Ill. Adm. Code 105.114. The Board meeting immediately before the decision deadline is scheduled for May 17, 2012.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by February 20, 2012, which is the first business day after 30 days after the Board received Maribeth's petition. *See* 35 Ill. Adm. Code 105.410(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116. The record must comply with the content requirements of 35 Ill. Adm. Code 105.410(b).

IT IS SO ORDERED.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 2, 2012, by a vote of 5-0.

A handwritten signature in black ink that reads "John T. Therriault". The signature is written in a cursive style with a long horizontal stroke at the end.

John T. Therriault, Assistant Clerk
