HEARING OFFICER ORDER

On December 12, 2012, a telephonic status conference was held with the hearing officer. The parties stated that discussions continue and that respondents are reviewing some discovery documents that were recently forwarded to them. Respondent Dupage County will forward some follow-up questions to the complainant in the near future. The complainant stated that respondent Village of Hinsdale is finalizing a draft of its settlement proposal and will forward to the complainant for its review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 28, 2013, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
