ORDER OF THE BOARD (by C.K. Zalewski):

On December 19, 2012, Exelon Generation LLC (Exelon) filed a Petition for Variance with the Board seeking authorization to discharge heated cooling water from Exelon's Quad Cities Nuclear Generating Station. By order of February 7, 2013, the Board pointed out several deficiencies in the petition, including lack of a compliance plan. On March 22, 2013, the Board received Exelon's Motion to Withdraw Petition for Variance.

The Board grants Exelon's motion to voluntarily withdraw, dismisses the petition for variance, and closes the docket.

IT IS SO ORDERED.

Chairman T.A. Holbrook abstained.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on April 4, 2013 by a vote of 4-0 .
