HEARING OFFICER ORDER

A telephonic status conference was scheduled for May 9, 2013. The respondents did not appear, however, the complainant left a case status on voice-mail.

The complainant stated that the related circuit court case is progressing and the parties are coordinating the discovery in this matter with that of the circuit court case. The coordination of discovery prompted the complainant to file a motion for an extension of time with the Board on April 18, 2013. To date, the respondents have not responded.

To that end, complainant's motion is granted to the extent as follows. Deadline for all parties to file motions to add additional parties must be filed on or before August 21, 2013. All discovery, including document requests, interrogatories, requests to admit, depositions and subpoenas must be concluded on or before September 25, 2013.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on August 20, 2013, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
