INTERIM ORDER OF THE BOARD (by J.D. Dumelle):

On August 26, 1981 Vickery Manor Service Corporation (Vickery) filed a request that decision in this matter be stayed pending resolution of "the issues underlying the Variance Petition PCB 81-122," a variance request concerning the same facility which is at issue in this enforcement action. The Board has neither formally ruled upon that motion, nor decided the case.

On September 13, 1982 Vickery submitted a waiver of the decision period in PCB 81-122. In its notice of waiver Vickery points out that it has filed an application with the Illinois Commerce Commission (ICC) for the cancellation of its Certificate of Convenience and Necessity and for authority to abandon its sanitary sewer service area, due to lack of funds for maintenance and improvement of its plant and to allow for its sale.

The Board hereby orders that within 30 days of the date of this Order the parties shall either file a proposal for settlement or report to the Board regarding the present status of this case, including any relevant developments in PCB 81-122, the status of the ICC hearings and settlement negotiations, and recommendations as to the expeditious resolution of this matter.

IT IS SO ORDERED

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15th day of September, 1982 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
