ORDER OF THE BOARD (by J. Anderson):

This petition, filed November 10, 1981 is deficient in certain respects. Hearing is waived, but no affidavit attesting to the truth of the facts alleged as required by Procedural Rule 401(a) has been filed. The petition also fails to explain with specificity the reasons why compliance has been delayed [Rule 401 (a)(5)] and does not address whether there is an alternative method of compliance to landfilling of this material pending delivery of the incinerator [Rule 401(a)(9)].

Unless these deficiencies are corrected within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of November, 1981 by a vote of 5-0.
