

R 14-22

RECEIVED
CLERK'S OFFICE

MAY 18 2015

STATE OF ILLINOIS
Pollution Control Board

- a) Operate no more than fourteen hammers at any one time;
- b) Operate its forging hammers up to 24 hours per day, Monday through Saturday;
- c) Must not cause or allow the emission of sound from the facility to exceed 65 dB (A-weighted Leq) at the far southwest corner of the facility's property line adjacent to Wallace Avenue between the hours of 11 p.m. to 6:00 a.m., Monday through Saturday;
- d) Must investigate new technologies, sound abatement measures, and possible operational changes to mitigate the sound emissions from its forging operations; and
- e) Must submit to the Board a report on the findings of the investigation pursuant to subsection (d) of this Section, once every ten years after the effective date of this amended Section. The report must be filed with the Clerk of the Board at the following address:

Office of the Clerk
 Pollution Control Board
 James R. Thompson Center
 100 West Randolph Street, Suite 11-500
 Chicago, Illinois 60601

(Source: Amended at 39 Ill. Reg. _____, effective _____).

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on April 16, 2015, by a vote of 5-0.

John T. Therriault

John T. Therriault, Clerk
 Illinois Pollution Control Board

*I'm 82 years old, have lived here for 62 years and endured all the inconveniences and damage, Clifford & Jacobs has caused our home and house. We live just 1/2 block from their company. Since we lived so near the RR where my husband worked for nearly 40 yrs, is the reason we stayed. I vote **No** on the 24 hr. day operation because we would like to be able to sleep at night. The hammers are equal to a small earthquake.*
