HEARING OFFICER ORDER

On April 24, 2017, petitioner filed a motion for extension of time to file an amended petition until 90 days after the Board adopts rules under Section 38.5(k) of the Act. In support of its request, petitioner states that an amended petition requires an analysis of the most recent round of toxicity testing. Respondent does not object to the extension. A telephone status conference is being scheduled for this Thursday to discuss how much time will be needed to complete the analysis of the toxicity testing.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on April 27, 2017. Petitioner shall initiate the call.

IT IS SO ORDERED.
