DISSENTING OPINION OF THE BOARD (by J. Anderson):

I believe that variance should not have been granted beyond January 1, 1983. Petitioner requested variance only until that date, and presented hardship allegations to support the grant of that requested short-term variance. I do not believe that the record supports the Board's grant, on its own motion, of variance for an additional year.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Dissenting Opinion was filed on the 15th day of September, 1982.
