Respondent.)	

ORDER OF THE BOARD (by K. Papadimitriu):

On June 22, 2017, at the parties' request, the Board extended until September 10, 2017, the time period for B-Petro Corporation (B-Petro) to appeal a May 4, 2017 determination of the Illinois Environmental Protection Agency (Agency). On September 8, 2017, B-Petro timely filed the petition. *See* 415 ILCS 5/40(a)(1) (2016); 35 Ill. Adm. Code 101.300(b), 105.402, 105.404, 105.406. The Agency's determination concerns B-Petro's leaking underground storage tank (UST) site located at 306 North Canal in Annawan, Henry County. For the reasons below, the Board accepts B-Petro's petition for hearing.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2016)), the Agency decides whether to approve proposed cleanup plans and budgets for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If the Agency disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2016); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency modified B-Petro's site investigation budget and Stage 2 and 3 actual costs. B-Petro appeals on the grounds that the spending of the reduced amounts was justified and that the Agency lacked authority to reduce them. B-Petro's petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the petition for hearing. B-Petro has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge the Agency's reasons for its decision, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom.* Community Landfill Co. & City of Morris v. PCB & IEPA, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Upon its own motion or the motion of any party, the Board or the hearing officer may order that the hearing be held by videoconference. In deciding whether to hold the hearing by

videoconference, factors that the Board or the hearing officer will consider include cost-effectiveness, efficiency, facility accommodations, witness availability, public interest, the parties' preferences, and the proceeding's complexity and contentiousness. *See* 35 Ill. Adm. Code 101.600(b), 105.110.

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2016)), which only B-Petro may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, B-Petro may deem its request granted. *See* 415 ILCS 5/40(a)(2) (2016). Currently, the decision deadline is January 8, 2018, which is the first business day following the 120th day after the date on which the Board received the petition, September 8, 2017. *See* 35 Ill. Adm. Code 101.300(a), 105.114. The Board meeting immediately before the decision deadline is scheduled for December 21, 2017.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by October 10, 2017, which is the first business day following the 30th day after the date on which the Board received B-Petro's petition. *See* 35 Ill. Adm. Code 101.300(a), 105.116(a), 105.410(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116(a). The record must comply with the Board's requirements for content, organization, and certification. *See* 35 Ill. Adm. Code 101.1030(g), 105.116(b), 105.410(b). In addition, the Agency must file the record electronically instead of in paper. Specifically, the record must be filed through the Clerk's Office On-Line (COOL) or on compact disk or other portable electronic data storage device and, to the extent technically feasible, in text-searchable Adobe PDF. *See* 35 Ill. Adm. Code 101.302(h)(2)(A), 105.116(a).¹

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 5, 2017, by a vote of 5-0.

Don A. Brown, Clerk
Illinois Pollution Control Board

¹ Any questions about filing the record in an electronic format should be directed to the Clerk's Office at (312) 814-3461.
