ORDER OF THE BOARD (by J. Anderson):

In its Order of February 4, 1982, the Board stated that if an executed agreement between Chevy Chase and Lake County were not filed within 60 days, the Board would enter a cease and desist Order against Chevy Chase. An executed agreement has not been filed.

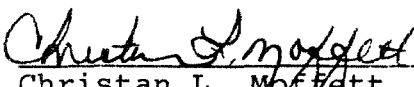

A report filed by Chevy Chase on March 25, 1982 indicated that some delay was attributable to the lack of a quorum at two meetings of the County's Public Service Committee, preventing action from being taken on a draft agreement submitted to the Committee. However, on March 29, 1982 Lake County filed a copy of a letter sent by it to Chevy Chase on March 26, 1982, along with a draft agreement which had been reviewed and approved by the Public Service Committee.

In light of the circumstances surrounding the delay, the Board will postpone entry of a cease and desist Order for the one last time. If an executed agreement between Chevy Chase and Lake County is not filed by Chevy Chase within 30 days of the date of this Order, the Board will enter its final Order directing Chevy Chase to immediately cease and desist from any further violations of the Act or the Board's rules.

IT IS SO ORDERED.

Board Members J. Dumelle and I. Goodman dissented.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15th day of April, 1982 by a vote of 3-2.
